

Enriching the Strategy Activity

Vision

Change: “learning” to “education”

Delete: “,” after Ohio

Other notes:

- Keep as is.

Mission

Add: “the creative ideas and achievements of BGSU’s faculty, staff, and students enhance our community, Ohio and the world.”

Change: The order of the first sentence to read: “BGSU provides holistic learning experiences that prepares each student for lives of engaged citizenship, leadership in a global society, and emerging careers”

Add: “scholarship” to informed and engaged

Change: “experience” to “environment” through scholarship and service, BGSU (last sentence)

Core Values

Add: service to list something about sustainability, pride in a job well done and the BGSU community

Goal 1

Add: “attract quality teaching”

Add: “reward excellence and teaching”

Change: “Enhance student learning and personal growth” to “Produce productive members of society”

Goal 2

Other notes:

- Goals need to be smart:
- Specific, measureable, attainable, realistic, and timely

Goal 3

Add: “and sustain” after “cultivate”

Goal 4

Other notes:

- Concern is over implementation time vs. resources

Goal 5

Change: “Build an optimal human resource environment and financial infrastructure” to “attract the highest quality faculty and staff and develop the financial resources to support and retain them.”
