

## Enriching the Strategy Activity

### Vision

Change: Replace “one of the best in the nation” with “a national model for holistic education.”

Other notes:

- Suggested: “BGSU is a uniquely collaborative community that aspires to shape the future through learning, discovery and personal growth.”
- Various comments regarding “premier”
  - Change: it’s arrogant
  - Change: “the” to “a”
  - Define it
  - Need resources to achieve it

### Mission

Add: “responsible” to “engaged citizenship” so it reads “engaged and responsible citizenship”

Add: “to support faculty, students and staff in the discovery of knowledge and creative activities”

Change: “emerging careers” to “life-long career growth”

Change: “service by the University’s staff, faculty and students” to “Students, faculty and staff work together to build ...”

Change: “change to the lives of others” to “enhance the lives of others”

Change: “holistic” to “comprehensive” or “integrated”

Delete: Delete entire last sentence.

Delete: Second to last sentence

Other notes:

- Statement is too wordy
- Add the idea of addressing research and service learning

### Core Values

Add: “integrity”

Change: “intellectual and spiritual growth” to “intellectual, personal and spiritual growth”

Change: “spiritual” to “personal”

Add: “Civic engagement”

Change: “co-operation” to “collaboration” or make it “co-operation and collaboration”

Other notes:

- Nobody understands the spiritual growth element

### Goal 1

Change: Expand “student” to reflect entire campus community.

Other notes:

- Replace entire goal with “Cultivate and expect learning and personal growth among all BGSU community members.”
- Replace entire goal with “Inspire ongoing learning and personal growth in the University, community, and beyond.”

### Goal 2

Add: Keep “scholarship” and add “research.”

Other notes:

- Perfect (as it is).
- Need to connect the goals to BGSU (these could be from anywhere).

### Goal 3

Change: Need “inclusion” as well as “diversity”

Change: “Cultivate” to “Create and cultivate”

Add: “of learners” after “diverse community”

## Participant Feedback Session 7

### Goal 4

Change: “engage” with something that signifies a relationship—e.g., “collaborate”

Change: “Mutual benefit” to “co-operative outcome”

Change: “Engage” to “communicate openly with”

Other notes:

- What does the goal mean?

### Goal 5

Add: to end, “that is transparent and educationally purposeful.”

Change: separate it into two goals

Other notes:

- clarify “optimal”

### New Goals

Other notes:

- Should address responsibility to the community and/or society.
