WE ARE ONE TEAM – IDENTITY STATEMENT AND VISION

WE ARE ONE TEAM uses sport as a forum to create a dialogue and to promote friendship between stereotyped groups on campus, including but not limited to BGSU Athletics, minority groups, faculty and administration, and the general student body. Through the power of sport, **WE ARE ONE TEAM** aims to strengthen the sense of community at BGSU by creating awareness of social injustice and by facilitating an environment that values inclusion, diversity, and tolerance. As a university-wide movement, **WE ARE ONE TEAM** represents a strong group of advocates for positive social change who are united by their mutual love and passion for sports.
