WA1T SPEAKER EVENT

WHAT DOES IT MEAN TO BE A TRANSGENDER ATHLETE?

THE STORY OF AN ATHLETE IN TRANSITION

MONDAY | NOVEMBER 16 | 6:00 - 8:00 PM | BTSU 201

This presentation provides an opportunity for students, faculty, staff, and other BGSU community members to hear the story of a transgender student-athlete at Bowling Green State University. The presentation will cover numerous topics, including the coming out as well as the female-to-male transition process of the athlete. The presentation will feature clips from the athlete's YouTube channel documenting his transition and will be followed by a FAQ session with the audience. Join us to help fight stereotypes and promote inclusion, diversity, and tolerance through the power of sport. Let's show that, as Falcons, WE ARE ONE TEAM!
