

WORKING FRAMEWORK

Vision

Bowling Green State University (BGSU) aspires to be a premier learning community, and a national model, for developing individuals and shaping the future through learning, discovery, collaboration and personal growth.

Mission

Bowling Green State University (BGSU) provides educational experiences inside and outside the classroom that enhance the lives of students, faculty and staff. Students are prepared for lifelong career growth, lives of engaged citizenship and leadership in a global society. Within our learning community, we build a welcoming, safe and diverse environment where the creative ideas and achievements of all can benefit others throughout Ohio, the nation and the world.
